Disclaimer

Expectations and projections regarding future performance of the company referenced in this presentation are 'forward-looking statements' within the meaning of applicable securities laws and regulations.

These are statements which the management believes are true at the time of their preparation based on available data and information and are subject to future events and uncertainties and to the successfully and timely execution of plans and strategies, that could cause actual results to differ materially from those anticipated in these forward-looking statements.

Introduction

Zain KSA established itself as a reliable telecom operator and a digital service provider whose services include **telecom services, 5G network, FinTech (Financial Technology), cloud computing, IoT solutions, fiber services, drones, and many others.**

Zain KSA is committed to the continuous development of its network and services in order to achieve the best customer service experience for individuals, the private sector and government institutions, in line with the goals of Saudi Vision 2030 and the digital transformation in the Kingdom which is to provide the services needed for a smart society and a better quality.

Our Values

Agility

We adapt quickly to change and make timely decisions

Belonging

We believe that we are one family and Zain is our second home

Customer centric

We strive to provide a distinctive service that exceeds customers' expectations

Inclusion

We accept our difference and believe that our diversity is the secret to our distinction

Open Communication

We communicate openly and respect all opinions and ideas

Our Strategic Pillars

The below eight pillars come as a natural evolution and extension of the strategy Zain KSA has successfully delivered on as well as the expectations of stakeholders.

Creative positive impact outcomes that include improving profitability and cash position all while considering environmental and social disciplines.

Generate value from and for stakeholders by scaling our B2B offerings and customer base and outperform the market on the B2C side.

Adopting sustainable and innovate processes that will allow us to venture into new areas of business while leveraging gains from automation in the business.

Leveraging areas of strength, including human capital and 5G network leadership as enablers that propel the Zain KSA brand.

Our Shareholder Structure

Zain Group provides Zain KSA with operational, technical, brand financial support.
